Make Yourself At Home

Edgewood Vista is known as an active senior living community. We understand the importance of familiar surroundings, comfort and security.

We have designed a program that will bring needed support right to you.

Care You Need, When You Need It

Services are available seven days a week, including holidays. Services may include but are not limited to:*

- Assessment by a Registered Nurse
 - Personal Cares
 - Light Housekeeping
 - Non-skilled Medical Monitoring
 - Dressing Changes
 - Medication Administration or Weekly Medication Set-up
 - Coumadin Therapy Management
 - Bathing Assistance
 - Post Cataract Services
 - Lab Draws
 - Diabetic Care Management
 - Laundry Service
 - Compression Stocking Management
- *Additional services may be available based on individual needs.

Edgewood at Home is a private pay program and is not reimbursed by Medicare or Medicaid. The care we provide is based on your needs. We work with you to schedule convenient visit times and provide care for intermittent or extended lengths of time. There are no medical qualifications to receive our services. Long-term care insurance may cover some of these costs.

Get Much More Than Care

Our clients receive:

- **Independence** from relying on friends, family or neighbors for assistance
- **Peace of Mind and Safety** knowing that day-to-day needs will be met
- **Individualized Services** to meet your needs
- **Affordability** because you pay only for the support and assistance you need
- **Relief from Stress and Anxiety** for you and peace of mind for your family members
- **Quarterly Care Conferences** to manage and discuss services being scheduled for you
- **Scheduled support for daily living activities** that you may not feel safe doing on your own

Competent, Comfortable Caregivers

Edgewood at Home's staff members are carefully selected so you can receive the most qualified and compassionate care available. Ongoing employee supervision ensures that you are satisfied with your services.

Contact Us Today

Our Nurse Coordinator is available to discuss and recommend the care required to meet your needs. We will happily refer you to area agencies that may also provide beneficial services. For more information call 701-365-8200.
